Insurance cover

We acknowledge that this insurance cover depends on the accuracy of the declaration made here and that Tellco pk may withdraw from this insurance policy under statutory provisions if the information provided is incorrect. In particular, we have tagged with an X those persons who are not fully capable of gainful employment. For more details regarding the insurance cover, please see below.

Notes

Capacity to work

A person shall be deemed as not being fully capable of gainful employment if, at the start of the insurance, he:

- is unable to work either full-time or parttime due to health reasons;
- receives daily allowances due to illness or accident:
- is registered with a state disability insurance scheme;
- receives a pension due to full or partial disability;
- is no longer able, due to health reasons, to be employed according to their level of training and education and their skills.

All other persons shall be deemed to be fully capable of gainful employment.

«Health declaration» form

The respective reinsurer will obtain additional information for:

- persons who are not capable of gainful employment, based on the aforementioned description, as well as
- persons for whom the additional benefits to be covered, either initially or in the event of a change, exceed certain limits.

If necessary, additional information may be obtained from a doctor or a medical examination may be requested. Any resultant costs shall be borne by the reinsurer.

Insurance cover

The insurance cover shall be definitive and no provisos shall be applied to those persons who are not required to complete the «Health declaration» form.

For other persons, the insurance cover shall be definitive and no provisos shall be applied in respect of:

- minimum benefits in accordance with compulsory employee benefits (BVG/LPP) insurance (insofar as insured);
- the benefits acquired with the vested benefits brought into the fund, provided they were insured without any restriction by the previous pension fund.

The insurance cover in respect of other benefits shall initially only be provisional.

Tellco pk shall notify you in writing as to whether the insurance cover is granted in full or with a proviso (restriction). The insurance cover becomes definitive upon receipt of this notification.

Proviso

Tellco pk must be notified in writing by the person in question of any proviso applied at the previous pension fund within four weeks of entry into the fund, and all relevant documents must be provided.
