## Tellco Classic - Bonds in foreign currency hedged ESG - V

October 2025

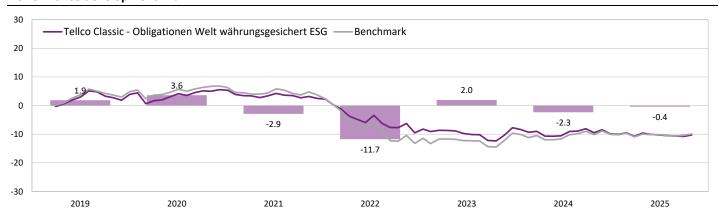

The fund invests at a minimum of 85% in the Master Tellco Classic - Bonds in foreign currency. The Master Fund comprises a widely spread, well diversified portfolio of fixed-interest bonds denominated in foreign currencies that is adjusted to the benchmark index. The strategy allows the constitution and completion of an existing global bond portfolio. By means of its own active investment approach, duration, risk, etc., are taken into consideration in order to achieve an outperformance against the benchmark.

Sustainability policy (ESG): Companies/issuers with sustainable value creation are analysed under a) an exclusion approach (exclusion list SVVK-ASIR, companies with >10% revenue from coal production) and b) a positive positive screening approach (MSCI ESG minimum rating BBB). In total at least 80% of the invested companies/issuers must qualify as companies/issuers both sustainability approaches as companies/issuers with sustainable value creation. Further information on the sustainability policy (ESG) can be found in the prospectus.

Currency risks are hedged in Swiss francs.
